

LIGHT SHIPS FASTER THAN SOUND...

In Stock & Ready To Ship

eLuminaire's Quick Ship program features our highest quality, most popular LED fixtures in stock and ready to ship. Your customers can count on eLuminaire products for the most demanding project or application, and rapid delivery response means never missing a critical project deadline. Increase your sales by providing a trouble-free experience to your customers!

eLuminaire Quick Ship Guidelines:

- No 10% small order fee
- Freight allowed on all Quick Ship products
- Ship within 48 hours of order receipt
- Quick Ship orders/items must be on a separate PO marked "Quick Ship"
- Order cut off time: 1:00 PM PST
- Freight: All orders will ship ground
- Customer can opt for expedited air or ground shipments at the client's expense
- Maximum standard quantity 20 units, above 20 units consult factory
- New accounts may pay by credit card

Terms & Conditions

- All quick ship orders ship from Carson California.
- All quick ship items ship ground. Expedited shipments will be charged the appropriate expedited rate.
- Order quick ship items on a separate order form.
- Quick ship items are same price as standard ship items,
- Quick ship quantities apply to 20 units or less, any larger quantities consult the factory or your sales representative.
- All quick ship items will ship within 48 hours for orders placed before 1pm PST (excluding weekends and holidays).

To process your order quickly include:

- ✓ "Quick Ship" notice on the order
- ✓ Customer name, billing address
- ✓ Ship-to address with contact and any instructions
- ✓ Part number from Quick Ship product list
- ✓ Pricing from 2021 Quick Ship price list
